ARTICLE IV INVOICING

1. The price of ensuring of the broadcast of the advertisement shall be determined in one of the following ways:
 - on the basis of the price list of Slovenská produkčná, a.s., valid for the particular month of the advertising broadcast and the agreed discount; or
 - by agreement on the basis of the multiple of CPRP and rating reflecting all agreed indices (for the definitions of the terms “CPRP” and “rating” see Article I of these General Terms and Conditions of Ensuring of the Broadcast of Media Commercial Communications in the JOJ GROUP).
 - In the case that the terms and conditions of the agreement shall be determined as a result of negotiations with the agency representing the client and at the same time there is a change of agency representing the client for any reason during the ongoing negotiations and / or before the conclusion of the agreement for the relevant year (e.g. when the client has not yet agreed on the terms and conditions for this year during or after the ongoing media tender), the remuneration for required monthly campaign will be determined only according to its value (budget / GRP) in the relevant month.

Regarding subparagraph a) Regarding the JOJ GROUP television program service, the price of ensuring of the broadcast of media commercial communications shall be determined on the basis of the *JOJ GROUP Price List* and/or by agreement.

Regarding subparagraph b) The agreed CPRP and all respective indices shall be the subject of the Agreement on Special Business Terms and Conditions concluded between the parties (hereinafter referred to as the “Agreement”), and for each client of the agency a separate Agreement shall be

concluded, which shall form an integral part of the contract. The Agreement shall be individual, based entirely on negotiations with the person, to whom it is addressed, taking into account past cooperation, information and guarantees provided by the parties in connection with the negotiation of its content, and the conditions referred to therein shall not be applicable to any other contractual relationship. The Agreement shall remain valid without any adjustment of the client's price conditions even after spending the guaranteed financial volume of funds defined in the Agreement on Special Conditions throughout its entire validity period and can not be amended if the advertising space from 08:00 and 24:00 has been 100% sold out for three (3) consecutive month. In the case of indexing, the calculation of CPRP shall be rounded to two decimal places. The indexed rating shall not reflect extra charges for positions and special advertising blocks referred to as the "power break".

Regarding the purchase according to the **KOMBI** business model, the price of the campaign shall be charged as follows:

1.1. If the rating of guaranteed spots is greater than the total required rating, Slovenská produkčná, a.s., shall invoice a multiple of CPRP and the total reached indexed rating of the guaranteed spots plus an extra charge for all requested positions of spots and power breaks;

1.2 If the rating of the guaranteed spots, including the rating of non-guaranteed spots (the guaranteed and non-guaranteed rating in the Prime Time or in the Off Time is in the tolerance value to -10% or to -10 GRP of the chosen footage of the required rating in the Prime Time or the Off Time) is greater than the total required rating, Slovenská produkčná, a.s., shall invoice the multiple of CPRP and the total rating in the ordered proportion of the Prime Time/Off Time plus an extra charge for all requested positions of spots and power breaks, while non-delivered ratings in the Prime Time or Off Time shall be, in accordance with the possibilities of Slovenská produkčná, a.s., delivered in the Prime Time or the Off Time in the proportion to the agreed zonal index, i.e., the agency shall be charged the estimated price stated in the Contract to Ensure the Broadcasting of Media Commercial Communications;

1.3 If the rating of the guaranteed spots, including the rating of non-guaranteed spots (the guaranteed and non-guaranteed rating in the Prime Time or in the Off Time is not in the tolerance value to -10% or to -10 GRP of the chosen footage of the required rating in the Prime Time or the Off Time) is greater than the total required rating, the agency shall be entitled to request invoicing of the multiple of CPRP and the total actually reached indexed rating of the guaranteed and non-guaranteed spots in the Prime Time + the guaranteed and non-guaranteed spots in the Off Time only to the amount of the totally required ratings referred to in the Contract to Ensure the Broadcasting of Media Commercial Communications plus an extra charge for all requested positions of the spots and power breaks, i.e. invoicing not exceeding the contractually agreed expected price specified in the Contract to Ensure the Broadcasting of Media Commercial Communications, unless otherwise agreed with the agency;

1.4 If the rating of the guaranteed spots, including the rating of non-guaranteed pots, is lower than the total required rating, Slovenská produkčná, a.s., shall invoice a multiple of CPRP and the total actually reached indexed rating of the guaranteed and non-guaranteed spots plus an extra charge for all requested positions of spots and power breaks, unless otherwise agreed with the agency;

A condition of the purchase according to the **KOMBI** business model shall be ordering up to 90% of the guaranteed ratings in the Prime Time (17:00-23:00) on the basis of the predicted ratings of Slovenská produkčná, a.s., from the required value of the Prime Time ratings and planning up to 80% of the guaranteed ratings based on the predicted ratings of Slovenská produkčná, a.s., from the total

required value of ratings. All orders sent by the agency shall be processed only up to the amount of specified conditions.

The advertiser can only purchase the broadcasting time according to CPRP if he has entered into an agreement on such purchase with Slovenská produkčná, a.s., on the basis of the following business models:

- **GUARANTEED RATING** – the purchase by the advertiser defined only as the total number of ratings, while the placement of the spots will be planned to the advertiser by Slovenská produkčná, a.s., continuously during the broadcast of the campaign, and the advertiser will be informed about the exact placement of the spots upon the annex to the invoice for advertising broadcast;
- **GUARANTEED SPOTS** – defined by the advertiser only as an exactly specified number of guaranteed spots;
- **KOMBI** – is a combination of the first two models, in which case the advertiser is obliged to define the exactly specified number of guaranteed spots, as well as the total number of required ratings. The advertiser will be informed about the exact placement of all spots upon the annex to the invoice for advertising broadcast; the advertiser has been informed about the placement of the guaranteed spots upon the contract. A condition of the purchase according to the KOMBI business model shall be ordering of a campaign lasting minimally five (5) days. In the event that the amount is not credited to the bank account of Slovenská produkčná, a.s., Slovenská produkčná, a.s., shall be entitled to cancel the spots planned by the advertiser and require the advertiser to pay a contractual penalty in the amount of 100% of the contractually agreed price of the advertisement.

5. Should the advertiser fail to pay the price of ensuring of media commercial communications in the manner referred to in Article IV paragraph 3, Slovenská produkčná, a.s., shall be entitled to request the advertiser to pay a contractual penalty in the amount of 0.05% of the outstanding amount for each day of delay, and the advertiser is obliged to pay such contractual penalty.

10. The price of the sponsorship, injections, teleshopping and placing products in the JOJ GROUP broadcasting shall be governed on the basis of individual offers. The offer shall always be individual, based entirely on negotiations with the person, to whom it is addressed, taking into account past cooperation, information and guarantees provided by the parties in connection with the negotiation, while the conditions and proposals referred to therein shall not be applicable to any other contractual relationship.
11. VAT pursuant to the applicable legislation shall be added to each price charged by Slovenská produkčná, a.s., unless expressly otherwise stipulated hereby.
12. If it is found, on the basis of the evaluation of the respective month of the campaign, that the campaign was over-broadcast or under-broadcast by +-10% of the agreed GRP and the campaign continues in the next calendar month, Slovenská produkčná, a.s., shall be entitled to take the over-broadcast or the under-broadcast into account so that in the following calendar month, the advertiser shall be provided less media commercial communications by the part over-broadcast in the previous month or more media commercial communications by the part under-broadcast in the previous month within the meaning of this paragraph, unless otherwise agreed with the advertiser.

13. Regarding any spots required by the agency to be broadcast in a special advertising block, the so-called “power break”, Slovenská produkčná, a.s., shall invoice an extra charge on the actual achieved rating of the respective advertising spot as referred to in the price list for each calendar month.
