* Surcharge for each requested position is determined by the actual achieved rating of specific ad break

** Surcharge for requested spot in power break is determined on the basis of actual achieved rating of specific ad break, power break is short ad break in Mtop programs, max. once per hour

*** In case of more than 2 clients in an ad break, whose representation exceeds 17% of the total footage, the markup will be increased linearly. In the case of a tandem spot, mark up is calculated from the tandem footage of the spot, not just its part.

JOJ Group will not broadcast a TV spot in which the client verbally or visually presents a TV channel that is not part of JOJ Group, its program and products, or any other service or product which rivals JOJ Group's services and products. Hints at non-JOJ Group services and products (whether direct or indirect) are not admissible either.

OTHER CHANNELS

offer of channels according to current trade representation
at JOJ Group PMT/TNS measurement at the present
are JOJ24, JOJKO, Prima Plus.

* measured ratio of channels can change four times a year based on the performance of individual channels,
always min. 45 days before planned change, the ratio will be always adjusted individually after launch of a new
channel, which will be represented in trade by JOJ Group

** in case the group's „other channels“ do not include any TV channels, percentage share will be transferred in
favor of TV PLUS and WAU. If the audience share of one of the „other “ stations reaches 1% for at least 6 months,
campaign spots on this/these station (s) need to be planned.
